R ALICE AT THE CARNIVAL ✓

MAY -2 1927 ✓

Produced by Winkler Pictures Inc.

Distributed by F.B.O.

Alice and Julius go to the carnival. They ride on the ferris-wheel, and carousel. They see a high-diver who dives from a tremendous height into three feet of water. They try a lung tester and then go to a picture gallery.

A mouse is collecting money for the big show. The crowd follows him until they come to a very pretty girl. The mouse takes out an umbrella and opens it under the girls skirt. It blows up and the crowd cheers. Alice and Julius then take a ride on the scenic-railway. There is a collision and they all fall out.

THE END.
